Green Buildings Open House Tour 2024

DMF, Solar & E-Vehicles

Sat, June 1, 11 am - 4 pm

WHY IS THE DEAD MANS' FLATS SOLAR PROPERTY ON THE TOUR?

The homeowners have experience installing solar panels twice on two separate homes. They have been proud solar homeowners for over nine years and have a wealth of knowledge to share about installing solar panels, accessing available financing, syncing solar power generation with an electric vehicle, and minimising the payback period for the installation.

WHAT WILL PEOPLE SEE & LEARN ABOUT AT THIS PROPERTY?

- Solar energy offsetting grid power
- E-vehicle ownership, range and charging with solar
- E-bike ownership
- Solar Club
- Accessing carbon credits
- Achieving a negative energy bill
- Making the most out of your solar system
